Blooming Hayle Jubilee Celebration

Sponsorship Opportunities

In honour of the Queen's Diamond Jubilee, Hayle in Bloom is hosting the town's biggest party of the year. Last year our 'Blooming Hayle' celebration attracted nearly 5,000 visitors onto our beautiful King George V Memorial Walk – and we expect even more this year.

We will have bands, choirs, parades, dance events, lots of stalls, yummy food, water-based activities such as gig rowing and jet skiing, bird watching, guided historical walks, ice creams, fun for the children, and lots more . . . including a half-dozen steam engines to excite the young and young-at-heart.

To cover the cost of bunting, entertainment, sound system, health and safety, and much more, we need your help. Please consider one of these sponsorship opportunities:
