

Hayle in Bloom

BECOME A FRIEND

HAYLE IN BLOOM was formed in January 2000 with the objective of taking part in the Royal Horticultural Society's annual **BRITAIN IN BLOOM** competition. We have done very well so far, winning three Gold awards, three Silver Gilt awards and many cups for various achievements. The residents of Hayle now have reason to take even more pride in their town and its improved appearance.

FRIENDS OF HAYLE IN BLOOM are invited to attend our meetings, which are held on the last Monday of the month at the Hayle Rugby Club, and to join in all of our activities - including Adopt-a-Plot, where you take responsibility for a small piece of land in and around Hayle.

Even if you don't want to take an active role, your membership fee of £2.00 helps to support our work of beautifying Hayle.
